Project Submission and Viva Guidelines

1. Group Formation

- Students **must work in groups** for this project.

- **No changes** in groups or project topics will be allowed once finalized.

- Each group will be assigned a **Group Number** and must select a **Project Topic** approved by the instructor.

---

2. Project Requirements

- Every group must **create a GitHub repository** for their project.

- The **final project files** must also be uploaded to **Google Drive**.

- The **Drive folder** must contain:

    1. The **GitHub repository link** (in a text or PDF file).

    2. A **10-slide PowerPoint presentation (PPT)** summarizing the project.

---

3. Folder Naming Convention

- The Drive folder must follow this exact format:
  `GroupNo_TopicNo`
  (Example: `Group5_Topic3`)

---

4. Submission Deadline

- The **last date for uploading** the final project folder in Google Drive is:
  🕐 **27th October, 11:59 PM**

- **Late submissions will not be accepted** under any circumstances.

5. Final Evaluation

- On the final day, **one member from each group** must:

    - Bring their **laptop**.

    - **Demonstrate the working result** of the project.

- **Viva voce** will be conducted based on the **same project topic**.

- The **viva date will be announced later**.

6. Presentation (PPT) Guidelines

- The PPT must have **10 slides** only.

- Recommended structure:

    1. Title Slide (Project Title, Group Members, Group Number)

    2. Introduction / Problem Statement

    3. Objectives

    4. Literature Review / Related Work

    5. Methodology / Model Used

    6. Dataset Description

    7. Results / Output Screenshots

    8. Evaluation Metrics / Performance Analysis

    9. Conclusion and Future Work

7. Important Notes

- Ensure the **GitHub repository** is public or accessible with the provided link.

- The **Drive link** must be **shared with viewing access** before the deadline.

- **All group members** should be prepared for the viva; marks will be **individual** based on performance.
